Affordable Housing for a Diversity of Women Des logements abordables pour des femmes diverses

Hold On

While caring for kids; making ends meet
Watching City Hall is quite a feat

**Keep your eyes on the prize, hold on
Hold on, hold on!
Keep your eyes on the prize, hold on**

Women need housing we can afford
that is close to rapid transport

Le logement : un droit de la personne
Qui amène une vie sauve, saine et bonne

We want a Housing and Homelessness Plan
To include all women. Oh yes it can!

Everyone deserves a home
A safe place to call their own
